Date: March 9, 2010

To: Winegrape Research Committee

From: Jerry Munson, Manager

Re: Committee Meeting of Monday, March 22, @ 3:00 p.m.

Winegrape Inspection Office

3210 Liberty Square Parkway, Turlock CA 95380

From Hwy 99 take the W Main Street exit and go west. Travel west for about a mile and a half and take S Tegner Road south for approximately another half mile. The office is on the south west corner of Liberty Square Pkwy and S. Tegner, in the Liberty Industrial Park.

A meeting of the Winegrape Inspection Board's Research Committee has been called for the above time and place by Committee Chairman Greg Coleman. This meeting will follow immediately after the Board's Executive Committee meeting which will begin at 1:00.

The purpose of the meeting is that we need to review the Research Proposal by Roy Thornton of Fresno State regarding the continuation of last year's project on the detection of rot. A copy of the proposal is enclosed.

We look forward to seeing you again on the 22nd.

Committee Members:

Greg Coleman
